FARHAD BALOCH · COLUMBUS, OH

WHAT CLIENTS & GUESTS EXPERIENCE

Warm, Collaborative Mind Reading Where Guests Are the Stars

Farhad Baloch is a mentalist based in Columbus, Ohio, booking evening and weekend events across Columbus, Cincinnati, Cleveland, and Central Ohio. By day, he serves as a Director at an Ohio wholesale nursery and builds his own custom mentalism software from scratch. By night, he brings a warm, conversational style of mind reading to private dinners, cocktail receptions, and stage rooms.

How it feels in the room: Instead of a performer showing off at a spectator's expense, the audience creates each miracle together. A guest thinks of a person they care about, a favorite song, or a free choice, and watches the room connect around the reveal. Drawing on **Asi Wind's** warmth, **Derren Brown's** psychological framing, **Peter Turner's** direct readings, and **David Blaine's** close-up reactions, every moment is personal, respectful, and impossible to explain.

Honest background: Across three live shows to date, his focus has stayed the same: no cheesy stage props, no invented credits, and no talking down to volunteers, just sharp psychological entertainment that gets a room of strangers talking and laughing together.

PERFORMANCE PACKAGES

Three Ways to Fit Your Room & Schedule

All packages are self-contained and customized to your guest count and timeline

PACKAGE 01 · STAGE — 20 to 60 Minutes

Corporate / Stage Mentalism Show

"The Shared Room" · Flexible 20/60/90 Structure

Built for seated audiences facing one stage area. In minute one, Farhad hands a sealed master prediction envelope to your host or a front-row guest to guard in full view. The crowd builds a shared choice together via custom **Beacon Mesh** software and the **Invisible Deck** (20%), guests' real names join the pack in **Repertoire** with a friendly $20 skeptic challenge, and a personal **Digital Center Tear** reading (60%) sets up the **Catch 23** finale (90%), where four volunteers' free choices match the sealed envelope from minute one.

Best Fit: Corporate dinners, conferences, executive offsites, and banquets (15 to 150+ seated guests).
Runtime: 20-min featured set or 45 to 60-min full show.

PACKAGE 02 · MINGLING — 60 to 120 Minutes

Close-Up & Strolling Mentalism

Interactive Pocket Sets for Receptions & Dining

Farhad moves smoothly among standing groups or dining tables, performing 5 to 7 minute sets right in guests' hands. Combines **Repertoire** and **Invisible Deck** openers with Peter Turner-style personal readings and a **Digital Center Tear** where a whole table picks a shared thought and Farhad names the exact word or song in a guest's head without them saying a sound. Wraps with **Next Time Anchoring**: a dated, initialed gold prediction envelope left with the host for their next event.

Best Fit: Cocktail hours, VIP receptions, networking mixers, and upscale restaurant nights (20 to 200+ guests).
Runtime: 60 to 120 minutes of continuous strolling.

PACKAGE 03 · INTIMATE — 30 to 60 Minutes

Private / VIP Group Experience

Single-Table & Parlor Mind Reading Experience

Designed for smaller, high-touch gatherings where everyone shares one table or lounge space. Combines David Blaine-style close-up intensity with Asi Wind's warm, everyone-in-on-it atmosphere. Every single guest participates directly in personal thought reveals, psychological influence, and a parlor staging of **Catch 23** where the whole group unlocks the final prediction together, plus a sealed gold prediction keepsake for the host.

Best Fit: Executive board dinners, client hospitality suites, private dining rooms, and milestone celebrations (8 to 30 guests).
Runtime: 30 to 60 minutes (table-side or parlor).
